Rowing on the river is becoming quite a favorite pastime with a good many of our citizens.

Kristine Lodge, A.F. & A.M., will hold its regular monthly meeting on Thursday evening next.

After the council meeting on Monday evening last, the Court of Revision held a meeting from which the public were excluded.

A large amount of freight has been received by our merchants during the last few days.

We understand that Mr. W. V. Maize has resigned the office of Crown prosecutor for Saskatchewan District and that Mr. James McKay has been appointed to succeed him.

The nomination will take place in the Council Chamber on the 23rd, inst. at a noon.

All friends and supporters of Messrs O. E. Hughes and J. F. Betts are requested to meet at the residence of R. J. Pritchard, Esq., Selkirk street, on Monday, 18th inst. at 7 P. M. for the purpose of organizing for the present election.

A race has been arranged between Bullwinkle, a horse owned by James Bled of Batoche, and the roan stallion, the property of Mr. Reynolds of this place, to take place Tuesday next. As both horses are somewhat speedy an interesting race may be looked for.

For the last time, the "Fork" leads the list so far, but he has no mean rival in Corp. Montgomery and some others who are yet to stand. Sergt. Alexander and Const. Carmichael are close behind the top score.

All brethren are requested to be present at a lodge of instruction in the Masonic Hall on Tuesday evening at 8 o'clock.

The Winnipeg Sun is collecting information from which to publish a mammoth edition of the paper some time next month. It will contain sketches and descriptions of most of the towns and more particularly points in the Northwest and British Columbia. We think it would be a good move for the Town Council and Board of Trade to take steps to have the many advantages and beauties of this District and Prince Albert in particular, brought before the public in that number.

The Rev. Bro. Loring, of South Lake, was in town this week.

Miss Moore, of Blackville, and sister of Mrs. T. E. Baker, arrived in town on the stage on Monday.

M. W. Morrison, representing W. E. Rogers & Co., of Winnipeg, came down the river from Edmonton to a small boat in this town last week.

We believe that readers will be asked for very shortly by the Saskatchewan Life Association for the sharing off of all the time, change and underbrush on their new range.

On Saturday last Mr. B. Malt narrowly escaped a very bad accident. While working in Sanderson's saw mill the cleave of his foot caught on a shaft, and had it not been that he was stronger than his clothes he would have been drawn into a space of about ten inches between the shaft and beams; as it was he forced himself against the beams and his clothes were torn from off his body. One of his arms and back were severely lacerated.

THE GREAT NORTHWEST.

joins the other parts of the Dominion in its praise of the wonderful virtues of Nasal Balm. Mr. W. H. Sharp, Terrell, Man., says: "I am delighted to see this position to say that Nasal Balm is helping me wonderfully, although I have been using it but a very short time. It quickly cleared out the head and stopped the disagreeable droppings into the throat. For some time I have suffered severely from catarrh headache, Nasal Balm has removed every trace of it. I have every confidence in its curing me. It is deserving of all you claim for it." "A Positive Cure for Catarrh, Easy and Pleasant to use." I hope it will soon be for sale in every village and town in Manitoba.
